## SUMMER SLAM ON SR-60

*A series of 55-hour weekend closures could slow traffic to a crawl in the San Gabriel Valley*

**WHO:** District 7 Director Michael Miles  
Assemblymember Ian Calderon, 57<sup>th</sup> District  
Captain Daniel Minor, California Highway Patrol

**WHAT:** Press conference to discuss four upcoming 55-hour closures on the Pomona Freeway (SR-60) between Nogales Street and Fullerton Road beginning Friday, July 12 and continuing for three more non-consecutive weekends through August 26. Motorists are encouraged to find alternate routes and limit driving in the area.

**WHEN:** Wednesday, July 10, 10 a.m.

**WHERE:** Ethan Allen Parking Lot at Puente Hills Mall  
1478 South Azusa Avenue, City of Industry, CA 91748

**BACKGROUND:** The Pomona Freeway (SR-60) is a major thoroughfare, serving commuters between Los Angeles and San Bernardino and Riverside counties. As a result of heavy use, the road has experienced extensive wear. SR-60 is being rehabilitated in both directions, between the San Gabriel River Freeway (I-605) and Orange Freeway (SR-57). Once the work is completed in late 2014, the new surface will provide a smoother, safer drive for motorists, reduce time required for maintenance and minimize the need for further lane closures.

This \$121.5 million project is funded through the State Highway and Operations Protection Program (SHOPP).
